SUMMARY

- Worked for over 11 years in a midsize bank, I've worked on Customer Services, Foreign Exchange, Mutual funds, and also diverse administrative areas, such HR, Logistics Support for partners and Contract Management.
- Strong soft skills like strategic planning, self-management, systemic vision, problem solving, analysis and synthesis.

WORK EXPERIENCE

Banco de Brasilia - BRB (2012 - 2023) - *Costumer Services, Analyst*

During all these years working in that company I have developed strong soft skills such as:
- Strategic planning, helping my team to define how to achieve our goals;
- Self-management, conciliating my work time with my personal time, working under pressure and managing stress, with adaptability and personal development;
- Systemic vision, developing knowledge of the many steps of the job done in the department and relating with other departments' jobs;
- Problem solving, identifying problems and proposing the necessary solution;
- Analysis and synthesis, seeing the big picture of our job, integrated with the company's objectives;
- Teamwork, collaborating with team goals and improving workflow.

Also developed some hard skills such Microsoft Ofiice, especially Excel, SAP ERP and BI.

EDUCATION

Graduate Degree in Finance, Investments and Banking (2022)
Pontifícia Universidade Católica do Rio Grande do Sul - PUCRS (Brazil)
In my second Gradua te Degree I decided go deeper in my knowledge on Financial Accounting, Financial Planning, Investment Banking and Corporate Finance.

Graduate Degree in Applied Statistcs (2017)
Centro Universitário do Distrito Federal - UDF (Brasilia, Brazil)
In my first Graduate Degree I had the opportunity to improve my knowledge in Mathematics and Statistics and was able to apply it to R programming.

Bachelor's Degree in Business Administration (2010)
Universidade Paulista - UNIP (Brasilia, Brazil)
In my Bachelor's Degree I learned about Accounting, Financial Analysis, Business Planing and Strategy.
